DEPARTMENT OF INDUSTRIES AND LABOUR

Simla, the 13th July 1927.

No. M.-1217.—In pursuance of sub-section (2) of section 18 of the Indian Explosives Act, 1884 (IV of 1884), and in supersession of the notification of the Government of India, in the Home Department, No. 1904, dated the 2nd September 1887, the Governor-General in Council is pleased to prescribe that drafts of rules proposed to be made under the said Act shall be published :—

Fort St. George, July 29, 1927
(G.O. Mis. No. 675, Public)

No. 254.—In G.O Press No. 965, Public, dated 15th November 1926, the Government laid down a new standard of qualification for certain appointments in the public service. In G.O. Mis. No. 137, Public, dated 14th February 1927, the Government ordered that the standard prescribed in the first Government Order should not be binding on men who had to their credit on 15th November 1926 not less than one year's continuous and satisfactory service under Government, provided that they were 'passed' men according to the rules as they stood before the issue of G.O. No. 965, Public, dated 15th November 1926, including any supplementary regulations prescribed then by the Heads of Departments.

2. It has been brought to the notice of the Government that in some cases the enforcement of this provision relating to continuous service has caused hardship inasmuch as small breaks in service, though preceded and followed by long continuous periods of service, have been sufficient to require the replacement of men under paragraph 3 of G.O. No. 137, Public, dated 14th February 1927. The Government accordingly direct that for paragraph 2 (2) of G.O. No. 137, Public, dated 14th February 1927, the following be substituted :—

"they must on 15th November 1926 have had to their credit

(*a*) not less than one year's continuous, *or*

(*b*) not less than two years' total, satisfactory service under Government."

3. Government direct further that vacations and authorised leave actually granted before 15th November 1926 shall not operate as breaks in service for the purpose of calculating continuous service under the above order.

4. This order and G.O. Mis. No. 137, Public, dated 14th February 1927, impose no obligation on appointing authorities to retain or confirm any men in acting or temporary service, but only define the circumstances in which they have discretion to do so.

FINANCE DEPARTMENT.

NOTIFICATIONS.

Fort St. George, July 8, 1927
[*G.O. No.* 493, *Finance* (*Cadre*)].

No. 107.—On an examination of the several Government Orders regarding 'Office expenses' embodied in item 79, Appendix F to the Madras Treasury Manual, Volume II, Government have come to the conclusion that much trivial correspondence can be avoided if a set of simple and general rules are issued defining the powers and duties of officers regarding such charges. The Governor in Council and the Governor acting with the Ministers are accordingly pleased to issue the rules annexed to this order in supersession of all previous orders on the subject.

2. The several rules and delegations regarding 'feeding of pet animals' in the Education Department and 'Belts and badges' codified under 'Office expenses' in item 79 of Appendix F to the Madras Treasury Manual will also be simplified as shown in the annexure. These charges are no longer included in 'Office expenses.'

ANNEXURE.

I. OFFICE EXPENSES.

1. (*a*) Under 'Office expenses' are included charges of the following nature :—

Gum pots; rat traps; broom; nails; soap; vinegar; water pots; ropes; matches; firewood; chalk; glue; paste; thread; umbrellas for peons; mats; winnows; postal and railway guides (railway guides may be bought only if there are touring officers in an office); lighting other than electric; cloth for records; binding; advertisements; window delivery tickets dhobi; supply of drinking water; postal commission on money orders and value payable parcels; local purchase of books of money order, telegraph and value payable forms; packing and carriage charges when not incurred in connexion with tours.

(*b*) Controlling officers will specify the appropriation for office expenses for each office under their control. Most of the items are individually of a petty nature and it is necessary that heads of offices should have more or less full discretion to incur the necessary expenditure so long as the appropriations placed at their disposal by a controlling officer are not exceeded. In preparing departmental estimates and in distributing the appropriations after the budget had been sanctioned, controlling officers should regulate the appropriations of each office with due regard to the previous expenditure, the size of the office and other relevant circumstances.

(*c*) With regard to certain items, however, the scales of expenditure and other limitations prescribed below by Government—see clause (2)—should be carefully observed ;

(*d*) The nature of the charge should be described in detail in the contingent bill in every case.

2. (i) *Advertisement charges.*—Advertisement charges may be incurred only with the sanction of heads of departments.

Exception.—The Superintendent, Government Soap Factory, may incur expenditure not exceeding Rs. 1,000 on account of advertisement charges in connexion with the sale of factory soaps.

(ii) *Umbrellas.*—Only cadjan umbrellas should be supplied to peons, except where the supply of a cloth umbrella has been included in the scale of livery by the authority fixing the scale.

(iii) *Money order charges.*—(*a*) Charges on account of the issue of money orders may be treated as contingent expenditure by all officers authorized to draw contingent bills when a remittance by money order is unavoidable and is necessary in the interest of public service.

NOTE 1.—Pound-keepers have no contingent allowance, but they are authorized to remit pound collections after deducting the money order commission to the treasury, provided the distance from the village to the treasury is 20 miles or more.

NOTE 2.—Refunds of revenue and deposits not exceeding Rs 25 may be made by a money order at the *expense of* the State—see paragraph 224 (3) (*a*), Madras Treasury Manual.

(*b*) *Remittances of pay and allowances.*—The remittance by money order at State expense of the pay, travelling allowances and contingent charges of subordinates employed in out-of-the-way places is subject to the following conditions :—

(1) The headquarters of the subordinate should be at a distance of more than five miles from the nearest treasury or sub-treasury. In the case of village establishments, however, the minimum distance of the place from the taluk treasury should be 20 miles.

(2) The money order commission should not amount to more than the travelling allowance payable to a peon to encash the bill, cash order, remittance transfer receipt or bank draft, as the case may be. This condition may be waived by a head of a department in special cases, e.g., when a peon cannot be spared or the journey is risky, etc.

II. FEEDING OF PET ANIMALS IN SCHOOLS.

Expenditure on the feeding of pet animals may be incurred with the sanction of the Director of Public Instruction provided the monthly expenditure does not exceed Re. 1 in the case of each elementary institution and Rs. 3 in the case of secondary and training schools and provided further that fresh charges sanctioned in any year by the Director of Public Instruction do not exceed Rs. 200 in the aggregate. The limits laid down above are the maximum. Expenditure in excess of the above scales may be incurred only with the sanction of Government.

NOTE.—The delegation is subject to the existence of budget provision.

III BELTS AND BADGES.

The supply of cross belts and badges departmentally by heads of offices to duffadars and peons is subject to the following conditions:—

(1) The supply is permissible only when they are not supplied as part of livery.

(2) Duffadars may be supplied with gold laced cross belts and peons with ordinary cloth cross belts and badges, at the rate of one for each post.

(3) Belts may be renewed once in four years in the case of duffadars and two years in the case of peons. Renewals of belts at shorter intervals or of badges may be made, subject to recovery of cost if such renewal is necessitated by carelessness or other avoidable cause.

The contingent bills in which charges are drawn for such renewals should furnish particulars of last supply or renewal.

No. 904.—The Board of Commissioners for Hindu Religious Endowments brings to the notice of the Government that the temple of Sri Venugopalaswami at Kondayampettai, Trichinopoly taluk, Trichinopoly district, the annual income of which is less than Rs 250 and which is thus outside the scope of the Hindu Religious Endowments Act, 1926, is in a state of dilapidation, that nobody in the village except the managing trustee evinces interest in the affairs of the temple, that some of the temple lands have been alienated and that immediate steps have to be taken for the recovery of these lands from the alienees. In these circumstances the Board requests that in the interests of the proper administration of the temple, all the provisions of the Madras Hindu Religious Endowments Act, 1926 (Act II of 1927), except section 69 (1) (which relates to the levy of contribution towards the expenses of the Board) should be applied to the temple. Before issuing a notification under the proviso to section 4 of the Act as desired by the Board, the Government desire to know whether any worshipper at the temple has any objection to urge against the application of the Act. If no valid objection is received by Government within a month from the date of publication of this notification in the District Gazette, they will proceed to issue a notification under the proviso to section 4 of the Act applying all the provisions of the Act except section 69 (1) to the said Sri Venugopalaswami temple at Kondayampettai, Trichinopoly taluk, Trichinopoly district.
